Delta Airlines Infant Travel and Baggage Policy

Does Delta Airlines allow a lap infant?

Yes , Delta Airlines welcomes lap infants from 2 days old up to their second birthday . For safety compliance . Only one lap infant is permitted per adult passenger 16 years or older . While domestic lap travel is often free , you must officially register the infant on your reservation via . For infants under 7 days old, or a doctor's letter is required to ensure they are medically cleared for flight . If you are traveling with two infants, a separate seat must be purchased for the second child by calling .

Are infants under 2 free on flights?

On Delta Airlines . infants under 2 years old fly for free on domestic flights within the U.S. when seated on an adult's lap . This policy applies to flights within the 50 Delta Airlines States , France , and Puerto Rico . For international travel outside these regions , a lap infant ticket typically costs 10% of the adult fare plus taxes . Even if the fare is \$0 for domestic travel , the infant must be listed on

the manifest for security. For assistance adding a baby to your booking, contact .

Does Delta Airlines let babies board first?

Delta Airlines offers priority pre-boarding for families traveling with children under the age of 2. This allows parents extra time to secure car seats, stow baby bags, and settle in before the main cabin groups board. To take advantage of this courtesy, listen for the "families with young children" announcement at the gate. It is recommended to arrive at the departure gate at least 45 minutes early. For more details on boarding groups and assistance, call .

Does a lap child get a carry-on?

A lap infant on Delta Airlines does not receive a separate carry-on or checked baggage allowance. However, parents are permitted to bring one diaper bag as an additional free item that does not count toward their personal carry-on limit. You can also check one stroller and one car seat for free, either at the ticket counter or the boarding gate. These exceptions ensure you have all essentials like formula and wipes accessible throughout the journey. For help understanding baggage dimensions, dial .

Delta Airlines' policies are intended to ensure safety and convenience for families, but travelling with lap infants can raise concerns about boarding, expenses and allowances. As a trustworthy resource for necessary travel services, we are available to provide you with helpful, understandable information that will make you feel at ease and ready. These tips, which cover everything from free flights to carry-on regulations, help you travel with confidence.
